

Sponsorship Form

RSU5CP relies on fee income and sponsorships to cover our instructor and operating costs. We are currently looking for sponsorships to make these programs available to everyone, regardless of ability to pay, and keep registration costs to a minimum. Your support will go a long way toward providing a child access to a sport program or class they may not otherwise be able to attend, an adult with a step towards finishing high school or assistance toward reaching a career that leads out of poverty, or providing a family with childcare support so they can transition to employment.

If you are able to donate, please fill out the sponsorship form and return to our office. And if you want to offer to teach a class or volunteer, stop in! That is what community is all about! We look forward to hearing from you.

Name of Donor/Business: _____
Mailing Address: _____
City: _____ State: _____ Zip: _____
Contact Name (for business): _____
Email: _____ Phone: _____

Choose an option below if you'd like to specifically sponsor one of our Youth Recreation programs.
