Behavior Contract

Behavior is managed to ensure an enjoyable and safe experience for all. To achieve this, we would like to work together and ask that you begin by letting your child know our expectations for their behavior at Laugh & Learn. We would also like your guidance regarding how to best work with your child to avoid behavior issues and ensure a positive experience in our program.

Please review the following expectations with your child:

1. Children will follow directions given by Laugh & Learn staff.
2. Children will treat other children and staff with respect. Profanity, bullying, name-calling, or other hurtful verbal behavior will not be tolerated.
3. Children will maintain safe bodies. Acts of physical aggression towards staff or participants will not be tolerated.

At Laugh & Learn we have zero tolerance for any acts of violence. If your child causes bodily harm, jeopardizes the safety of themselves, others, or the environment (this includes running away from the group on outings), or is physically violent in any way, you will be called and asked to remove him/her from the program within an hour on that day. Depending on the severity of the event or the frequency of the event, your child's care may be terminated until a suitable solution can be made to prevent the violent offense/pattern of behavior. Laugh & Learn does not have the ability to provide one-on-one support for students.

Do you have any suggestions on behavior management for your child?

Does your child have certain behaviors or needs (diagnosed or otherwise) that we should be aware of in order to plan for the best experience in our program?
